Dear Mr.Ranga Rao, Dc. 370-26

With reference to the phone message re shifting of the Public Library to the Town Hall, I write to inform you that accomodation in the first floor of the Town Hall is inadequate for the purpose and it is proposed to make use of the rooms also in the Ground floor now in the occupation of the Boys' Scouts.

I am suggesting to the Deputy Commissioner about finding other accomodation for the Boys' Scouts. Meanwhile Mr.B.M.Sreekantiah, who is the Secretary of the Public Library Committee, has intimated that he would consult the members regarding the proposed location and let me know their wishes. On hearing from him I shall submit my report to Government in the matter.

the following recommendations: -

(1) That the whole of the ground floor with the exception of the [illegible] room be given to the Chamarajendra Technical Institute.

(2) That the whole of the first floor with the exception of the [illegible] room be given to the Medical College. The place is to be handed over to the University by about the 15th February 1928, to permit of the necessary [illegible] being made before

the Public Library be shifted to the Imperial Institute

(4) That the Quarantine Station be maintained in its present site

(5) That the Training College Block be shifted to the Admiralty Site, the Hospital to Bare, Land shifted to other Central Government Buildings.

(6) That the Secretariat Block be demolished when the Museum Block is so altered structurally as to provide accommodation for the Secretariat and

(7) That for the present the site of the Museum Superintendent of Imprints be retained in the Exhibition Buildings.

2. Government consider that the progress of the Scheme as detailed in the Report to enable them to decide the date of occupation of the new Government Offices should be carefully watched and that the Director of Works be required to take necessary steps in the matter of shifting the Institutions under their control in the Buildings recommended by the Committee and report to Government. The Public Engineer is required to arrange for alterations if any, being made in the Buildings concerned to suit new requirements and to see that the portion of the Secretariat Offices Institute Buildings selected for the Medical College is ready for occupation by about the middle of June next.
